PROFESSIONAL NURSE

Tells What to Do to Regain Strength After Sickness.

New York City.—"I am a professional nurse. The gripe and bronchial pneumonia left me with a cough and in a depleted, anemic condition, and no appetite. I cannot take red liver oil in any other form than in Vinol, and in a short time after taking it my appetite improved, my cough left me, I gained strength and weight. That is why I recommend Vinol to others."—Miss E. M. Walker, R. N., 35 W. 38th street.

It is the best and cod liver peptonates, aided by the iron and manganese peptonates and glycerophosphates contained in Vinol which make it so wonderfully successful.

Of That Number 46 Were Killed in Action.

Killed in action, 46; died of wounds, 2; wounded severely, 2.

GERMANY PREPARING PEOPLE FOR FAILURE OF THE OFFENSIVE

Will Crush France Next Year If Troops Do Not Effect It This Year.

Washington, June 26.—Germany is preparing her people for failure to win the war this year by an extensive propaganda setting forth that in the event German armies are not able to overrun France this year, the situation next year will be still better for Germany than it was at the beginning of the present offensive and that a movement will be made then to put France entirely out of the war. It suggests that Germans released from the army after the war will be able to give impetus to German submarine construction that will offset what the Americans and Englishmen can do to build up their commerce. It says also that the present war Germany will be able to inaugurate a campaign and successfully attack Egypt and India.

CANDIDATE FOR STATE OFFICE.

Walter F. Farnsworth of Rutland Would Be Secretary of State.

Rutland, June 26.—Attorney Walter F. Farnsworth of this city has announced his candidacy for the office of secretary of state, for which position Harry A. Black of Newport has also announced his intention of running. The present incumbent, Frederick S. Fleetwood, does not seek the office.

Mr. Farnsworth was born in Windsor and located in this city in 1903. In the fall of 1895 he entered the law office of Judge George E. Lawrence and in 1898 was admitted to practice law in the courts of this state, continuing in the offices of Judge Lawrence for a year, when he opened an office in the Richardson block and has continued the practice of law ever since. His present office is in the Mand block.

In 1908 Mr. Farnsworth was appointed assistant secretary of the Vermont state Senate and in 1902 was elected secretary of that body, receiving re-elections in 1904 and 1906. In 1906 he was appointed judge of Rutland city court by Governor Proctor, and held that office until April 1, 1909.

Mr. Farnsworth was a candidate for the Republican nomination for the office of secretary of state, being defeated by Guy W. Bailey.

Mr. Farnsworth has always taken an active interest in all local matters. For the last ten years he has been secretary of the Rutland fair and horse show, bringing it from a small fair to one of the largest fairs in the east.

Mr. Farnsworth is a Mason, an Elk, having been secretary of Rutland lodge for the last ten years, and a member of the Order of Patrons of Husbandry, serving as master of Rutland Valley grange for two years.

Mr. Farnsworth was secretary of the Rutland county committee in the recent Red Cross drive. At the present time he is chief clerk of the local draft board. In his various affiliations he has made a large circle of friends and acquaintances throughout the state, and he will depend largely upon them to push his candidacy, as his present duties will preclude his giving it his entire attention. Papers are now being circulated.

SUGAR ZONES.

For the Distribution of Sugar After July 1.

Washington, June 26.—Food administrator Hoover has selected G. A. Zabriske of the milling division of the administration, to become sugar administrator and direct shipments under the new sugar regulations which are to be announced shortly, effective July 1. Mr. Zabriske probably will work out a zoning plan for distribution somewhat similar to the coal zoning plan now in operation.

Cattle Feeders Dissatisfied.

In an article in the June Farm and Fireside, a writer says:

"Due to the army custom of purchasing 475 to 500-pound carcasses, packer buyers have all along been active competitors of feeder buyers for 1,000-pound steers, with the result that many cattle of this type, which would, under normal conditions, go to the country, are now being slaughtered. Even 900-pound steers showing any flesh are being sought by packer buyers, and as long as this condition prevails the prices for feeder cattle will remain out of proportion to those of fat cattle, and the number going to feed lots will be greatly reduced.

"While recent months have shown some improvement over the January feeder movement, the fact remains that there is still great dissatisfaction and unrest among many feeders. One has but to spend a day at the Chicago market among shippers to become convinced of the lack of faith in the cattle-feeding business until after the war, when the prospects look very bright. After the war not only the beef stocks of Europe will have to be built up, but the herds as well."

FOE ADVANCED IN TWO LINES

Entire Battalion of German Troops Attacked at Badonvillers

THEY CARRIED AWAY SOME PRISONERS

Attack Was Preceded by a Heavy Gas Bombardment

With the American Army in France, Tuesday, June 25.—(By the Associated Press).—The raid Monday morning in which two companies of French and American troops near Badonvillers lost prisoners was made by an entire battalion of German troops. The enemy advanced in two columns after the way had been prepared by heavy bombardment with gas shells.

The official statement issued Tuesday in Berlin said:

"The number of American and French prisoners brought in yesterday morning east of Badonvillers has increased to more than 60."

DRAFT NUMBERS TO BE DRAWN ON THURSDAY

Proceeding Set for Friday, Then Moved Forward One Day.

Washington, June 26.—Plans for the drawing to establish the draft order of new registrants under the selective service act were changed late yesterday and moved forward one day. The drawing will be held at the Senate office building, where the great lottery was conducted last year to establish the order of service of the 10,000,000 original registrants under the selective draft law. It will begin at 9:30 a. m., and according to plan should be completed before noon. In the first drawing it was necessary to use 10,000 numbers in order to cover the lists of the largest draft boards. This time it is estimated that the longest roll of new registrants hardly will exceed 1,000, so 1,200 capsules with numbered slips will be drawn from the bowl.

PLAYED OUT LAWYER LOOKS LIKE NEW

All His Friends Pleased

For a long time he kept the secret of the wonderful change to restored health and recovery from nervous breakdown, but at last, because of the help it might be to his friends, he thought it only fair to tell them, and now they are all like him, have "come back" and feel like doing things.

He took Phosphated Iron, and it took hold of him immediately, he says he felt better "right off the reel," and you never saw a more thankful and pleased man. He cannot say enough in praise of Phosphated Iron. He says it seemed as if his whole system just craved the iron, it was absorbed so quickly, the color came back to his cheeks, his step had that old-time boy swing and spring, while as for his nerves, the phosphates got right to work, cleared up the cobwebs and befuddled brain, so he could think better and act quicker. His judgment was right again, he had decided that he lacked for years. No wonder he is a pleased booster of Phosphated Iron!

Mr. Professional Man or Woman, Mr. Office Man or Bill Clerk or Stenographer who is all in and feels that he is not sick and he is not well, but who knows he is not right, Phosphated Iron is just what you need. It will tide you over, put you right, you will feel "on the job," and work will be a pleasure.

To insure physicians and their patients getting the genuine Phosphated Iron, we have put in capsules only. Do not take pills or tablets. Insist on capsules. E. A. Drown, the druggist, and leading druggists everywhere.—Adv.

MARSHFIELD

In accordance with the proclamation of President Wilson and Governor Graham, a patriotic rally will be held next Friday evening, June 28, in K. of P. hall. The Marshfield cornet band will give an open-air concert that evening, instead of Saturday evening, as usual, which will be followed by speeches at the hall. It is expected that Lawyer Fred Gleason of Montpelier will be present and possibly other speakers. This is the closing feature of the war savings stamp drive, now in progress, and our governor urges every citizen to attend this meeting or be represented by a pledge, previously given, to buy war savings stamps.

ALL BEEF CATTLE LOWER.

Brighton Stockyard Sales Reflect Lack of Retail Demand.

Brighton, Mass., June 26.—All beef cattle were lower at the Brighton stockyards yesterday morning, owing to the unsettled market for fresh beef in Boston and dressed calves being about the only thing that were not selling on a lower basis than a week ago. Buyers say that the public at last has rebelled against paying the high prices charged for fresh meats of all kinds. On the other hand, drovers feel that they have been squeezed, and the few who did not bring their best cattle to market yesterday are congratulating themselves that their cattle have been turned out to grass, instead of being brought to Brighton.

Not many heavy cattle that could be called at all choice were noted at the Brighton yards yesterday morning, though one lot of eight cattle brought from New Hampshire by Drovers Gage attracted much favorable attention. Probably 15 cents would be considered the top for anything offered yesterday.

The range for fancy cattle being 14@15 cents. This is about a cent under last week's figures, and on the other grades, even more decline was noted. Average tops sold at 12@13 cents, good cattle at 9@11 cents and light cattle at 7@8 cents.

Mrs. Flora Hall of Cabot has been visiting friends in town the past week.

Four of our young people, Leola Taft, Marjorie Lambert, Gladys Newton and Earle Moore, graduated last week from Goddard seminary. Percy Pitkin won first prize for boys in the junior prize speaking.

Miss Cora Barnes of Quincy, Mass., is visiting her father, Dr. Barnes, at C. H. Collins.

A. R. Cole recently sold a fine pair of work horses to Frank Harris.

C. D. Smith returned Monday from Brooklyn, N. Y., where he has been visiting his daughter.

Professor and Mrs. Norris Blake of North Troy are the guests of Mr. and Mrs. V. R. Hudson.

Mr. and Mrs. C. H. Collins, Dr. Barnes and Miss Cora Barnes were visitors in Albany the first of the week.

Raymond Gilman, who is in the naval service at Hampton Roads, Va., visited relatives in town last week.

Mrs. Clifton Story of North Montpelier was the guest of Miss Ruby Davis over Sunday.

Mr. and Mrs. A. R. Cole were visitors in Brookfield Sunday.

Harold Pike was home on a brief furlough last week to visit his parents, Mr. and Mrs. B. Pike. He is stationed at Spartanburg, S. C., at present.

Mrs. S. M. York of Baldwinville, Mass., is the guest of her cousin, Mrs. Lizzie Robinson.

Mrs. Carl Drennan of Woodbury is nursing Mrs. Henry Blake.

Mr. and Mrs. E. H. Taft, Mr. and Mrs. J. W. Mears, Mrs. G. A. Furness, Mrs. Ernest Lambert and daughter, Iona, Mrs. F. M. Newton and daughter, Gertrude, Miss Laura Bliss and Mrs. Brown were among those who attended the graduating exercises at Goddard last week.

A bag of bolted corn meal was picked up on the street by Mrs. Lizzie Robinson. The owner can have same by calling at her house.

A musical entertainment will be given by local talent, under the auspices of the Pythian Sisters and the Red Cross, next week Wednesday evening, July 3, in K. of P. hall. The musical numbers are under the direction of Professor Blake, which augurs well for the success of this part of the program. The closing number will be a patriotic play in one act, entitled, "The Girls Over Here," by eight young ladies. This is in charge of Mrs. Clara Shortt and is sure to be an attractive feature of the entertainment. Remember the date, July 3.

Home News Beats "Pink" Letters.

Writing in a cantonment from which our soldiers embarked for France, Mrs. Anna Steese Richardson sends this message through the May Woman's Home Companion to all mothers of soldier boys:

"Just one word to mothers! Don't think Bill or Jack or Harry is getting so many letters from his friends, especially girls, that you need not write. Your boy wants your letters now as he never wanted them before, and this goes no matter how you parted.

"A boy of nineteen leaned over the counter the other morning twirling a 'pink' letter he had just received. The stationery may be white, gray, yellow, blue or lilac, but the letter remains 'pink' if it comes from a girl.

"Yes, she writes pretty regular," said the homesick lad. "But I haven't had a word from my mother in three weeks."

"Maybe she wrote to Camp McArthur and the letter has not been forwarded."

"Nix—she thinks I don't care about her letters. We never got along very well, mother and I. Brother Fred was the white-haired boy in our family. I'm the kind that always gets in Dutch. I didn't write home much at first, but now—"

"Do you catch the wisdomfulness of that pause?"

"The nearer a man gets to the transport which will carry him overseas, the more his own folks and his home town mean to him."

"Many readers have asked me to find out just what our fighting men want most. And every man approached gave the same answer: 'Letters from home.'"
